Treasurer.....Linda K. Fischer 253-232-5803

Director.....Tricia VanEvery 602-380-2949

Director.....Dean Scane 480-380-3172

OUR MISSION

To create a forum for contributions and civic involvement for Fountain of the Sun residents.

OUR GOAL

To promote healthy lifestyles that will extend independent living options for senior citizens.

Why Do We Have a Foundation?

The Fountain of the Sun Foundation supplements funding for worthy community projects and, at the same time, provides a tax credit opportunity to those making donations. The focus is to maintain the tax benefit process for residents making voluntary contributions toward approved community projects.

The Foundation is governed by a Board of Fountain of the Sun residents who have experience in finance and organizational development and who are interested in making a difference in the lives of residents. Appointment to the Board of Directors is by a vote of the Board Members.

The Foundation Has Been Approved By:

- The IRS on February 9, 2014 for tax credit fundraising activities.
- The Arizona Corporation Commission as an Arizona non-profit corporation on September 25, 2013.

This is How the Foundation Works!

- Residents of Fountain of the Sun can designate specific donations for projects that enrich community life.
- Donations can be made for those projects the Foundation Board determines are important to FOSA residents.
- Fountain of the Sun clubs or organizations can create a project and work with the Foundation to raise the needed funds. All infrastructure projects must be approved by FOSA prior to consideration by the Foundation.
- The Foundation assumes no liability for joint fundraising campaigns without prior approval by the Foundation Board of Directors.

How the Foundation Has Benefited Fountain of the Sun

- Funding toward the Veterans' Memorial and an Arizona Honor Flight for FOS Veterans.
- Purchase of a medical defibrillator device / (6) updated bulletin boards.
- Partnered in funding lighting for the community pickleball court / '23 craft room remodeling project.
- Funded the professional services contract for the 2019 Fountain of the Sun Comprehensive Long-Range Plan.

Ways You Can Donate

Participating in Community Partner Programs:

- Shopping at Fry's Food Stores – link your Fry's Reward card to the FOS Foundation. Through their Community Program, Kroger donates to the Foundation, based on the number of registered shoppers.
- Watching the FOS weekly email blast for periodic partner reminders.

Volunteer your time. We appreciate our FOS residents.
